

Dear Valued Propane Customer:

CHS Grainland will be offering propane contracts for the months of September 1, 2018 through March 31, 2019. Contracts this year will be \$1.45 per gallon for anyone on a scheduled route while supply lasts. A 10¢ per gallon deposit will be required to secure your contract. The 10¢ deposit (required upon signing) is deducted at time of delivery. For example our contract is \$1.45 – 10¢ = **\$1.35** charged to your account for gallons delivered against your contract. This makes your contract price **\$1.35**. **Deadline for contracting is September 30 2018. We will be offering a budget plan this year to help with your monthly bills, give us a call and we will explain how it will help you.**

Your account must be kept current and in good standing. **This is not a contract please call or stop into any of our locations to fill out and sign a contract.**

Thank you for your consideration. We appreciate your business and look forward to serving your propane needs this coming year.
